

EYEWASH B-399

Model: EYEWASH B-399

Product Overview

The EYEWASH B-399 Waste Collection Cart is an essential tool for efficiently handling the EYEWASH B-921* eyewash unit. Made from durable, highly visible yellow polyethylene, the cart is designed for easy maneuverability with a molded handle and flexible dual drain holes. It features a user-friendly parking design and stable transport with two rigid front casters and two rear swivel casters with "Total Lock" brakes. Supporting up to 175 lb, it ensures convenient and reliable operation of the eyewash unit on-site.

Product Features

- Provides transportation and waste collection for EYEWASH B-921*
- Easy to "park" from right or left side approach
- Dual drain holes allow for alternate positioning of On-Site unit
- Includes two clearly marked eyewash signs

Specifications

High-density, highly visible yellow polyethylene cart has molded handle for ease of transportability. Tapered sump includes $\frac{1}{2}$ " petcock for easy drainage. Comes equipped with two rigid casters in front and two swivel casters with "Total Lock" brakes in back. Cart holds approximately 175 lb (79.38 kg), which includes a fully operational EYEWASH B-921* and a maximum of one complete cycle of water in the lower cavity.

Dimensions

33" x 29 $\frac{3}{4}$ " x 22 $\frac{1}{8}$ " (838 mm x 756 mm x 562 mm)
